We will address behavior issues such as jumping, barking, digging, and chewing; appropriate toys; exercise needs; and interactive games. **Your dog will stay home the first week**, as this is an orientation for you. We will cover dog behavior, leadership, exercise needs, behavior issues, nutrition, and interactive games, and tell you what you will need to bring to class the following week when your dog comes with you. You are welcome to bring other family members to attend the class (children must be at least 9 years of age)
