COMMUNITY SERVICE PROJECT #5

Collections for Critters PET TREAT DRIVE

What is a pet treats drive?

The pet treats collected will help offset the cost of caring for shelter pets and other animals in need in the Sacramento community.

How do we use donated pet treats?

Not only do we use donated treats to enrich sheltered animals daily lives, but treats are also used to train and reward shelter animals for good behavior while in our care.

Sounds like a great idea! How do we get started?

Create posters asking people to donate pet treats. The posters can be put up in your school, in community groups or clubs you may belong to, and throughout your neighborhood.

*You will need to decide how the donated treats will be collected and include that information on your posters.

Supplies you will need:

- Poster-sized paper
- Colorful pens and crayons
- Tape/thumbnails
- Boxes to pack canned treats
- A list of acceptable treats
(see reverse side)
- A note book to record the names and addresses of the people donating items

What do we do with the donated treats once we collect it?

Once you have collected the pet treats, make sure they are neatly packed in small to medium sized boxes. Medium and small boxes are a perfect size. Record the name, address of each donor along with a description of each donation in a notebook. Inform each donor that they will receive a receipt by mail for their donation.

How do we donate the pet treats?

Bring the boxed items to the Sacramento SPCA at 6201 Florin-Perkins Rd. during our hours of operation. Turn in the information from your notebook to the Program Coordinator at 383-7387, extension 9147.

**Thank you! Your efforts will make a big difference
in the lives of many cats, dogs and other pets**
