Sacramento SPCA Request for Services/Programs

Since 1894, the **Sacramento Society for the Prevention of Cruelty to Animals** has been a leader in our community for pet placement and referrals. Each year, we help provide shelter and care for lost, abandoned and mistreated animals with the goal of uniting them with permanent, life-long homes. With your help, our organization can continue to provide animal care, behavior and training classes and consults, free behavior advice, humane education, and other outreach programs. The **Sacramento SPCA**, a private, non-profit shelter, is not funded by any government grants, and relies solely on the support of our members, dedicated volunteers, and community.

If you would like to tour our shelter, or have the **Sacramento SPCA** visit your event or facility, please fill out the information below. Due to the volume of services we provide, we appreciate your patience. We need 4 to 8 weeks' notice, and will do our best to fulfill all requests.

Organization Name: _____

Address: _____

Organization Contact Person: _____ Title: _____

Contact's Phone(s)/E-mail(s): _____

Date(s) of Event: _____ Expected Attendance: _____
