

## HANK FISHER PROPERTIES PRESENTS

APRIL 26  
DEL PASO COUNTRY CLUB

November 1, 2009

Dear Friend,

On Monday, April 26, 2010, Hank Fisher Properties and the Sacramento SPCA will host the 1st annual "Paws, Pals & Putts" Golf Tournament at Del Paso Country Club. This fund raising event will feature an 18-hole golf scramble, awards dinner, helicopter ball drop (raffle), as well as live and silent auctions. Proceeds will benefit the SPCA Senior Services Program providing services to ensure the continued relationship between local area seniors and their pets. Our goal for the golf tournament is to create an exciting day for participants and sponsors while "growing the giving" to the SPCA's Senior Services Program each year.

A wide variety of sponsorship opportunities will showcase your company name and commitment to local seniors and animals. Opportunities include placement on our websites, event signage, exposure through media releases, event advertising, opportunities to distribute company literature, marketing materials to participants and recognition during the course of the day and evening.

The Sacramento SPCA was established in 1894 and is dedicated to ensuring the humane treatment of all animals in the Sacramento area. The SPCA provides a safe and caring environment for unwanted, abandoned and mistreated pets and offers a variety of programs and services designed to serve both animals and people in the greater Sacramento area.

Hank Fisher Properties (HFP) provides quality independent, assisted, memory care and adult day care for seniors throughout the Sacramento area. With thirty years of experience in enhancing the quality of life for seniors, HFP is committed to the continued relationship between seniors and their pets.

Support from caring organizations like yours has a direct impact on our ability to help the seniors and animals we serve. Please feel free to call Loretta Manfre, Committee Chair at 916.440.0291. We are deeply grateful for your generosity.

Sincerely,

Rick Johnson  
Executive Director  
Sacramento SPCA

Nancy Fisher
