SAVING PETS' LIVES **A Stay-At-Home Fundraiser**

SPONSORSHIP OPPORTUNITIES

Join the Sacramento SPCA on October 24th to celebrate your commitment to the animals by becoming one of our event sponsors.

This virtual stay-at-home fundraiser will highlight how the Sacramento SPCA has supported the emerging needs of animals and people in our community, introduce some furry new friends and show first-hand how your support to fund and build the new [Zoe K. McCreia Animal Health Center at the Sacramento SPCA](#) will save more pets' lives and make the life-saving work of others possible.

Sponsor levels are below, and can be modified based on your budget and interest in each accompanying benefit. Thank you for your consideration in partnering with the Sacramento SPCA.
